

Modern Slavery Policy Statement

The SMC Premier Group Ltd policy on Modern Slavery

Modern slavery is a crime which violates fundamental human rights. It can take various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which seek to deprive a person of their liberty in order for them to be exploited for personal or commercial gain.

SMC Premier Group Ltd operates a zero-tolerance approach to modern slavery and is committed to acting ethically and with integrity in all its business activities and relationships.

SMC Premier Group Ltd is also committed to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business and exercising robust due diligence of all its partner organisations and suppliers.
